Supporting Recovery

When a friend or family member develops a mental health condition, it's important to know that you're not alone. Family members and caregivers often play a large role in helping and supporting the millions of people in the U.S. who experience mental health conditions each year.

What can family and friends do?

- Learn as much as possible about mental health.
- Show interest in the persons treatment plan and encourage the person to follow it.
- Listen carefully. Simply listening is one of the best ways to show your support.
- Resume "normal" activities and routines. Spend time together on activities unconnected to their illness.
- Don't push too hard. It takes time to heal and ease back into routine activities.
- Express your support out loud. State that you want to help and they are not alone. 1 in 5 US adults experience mental illness each year.
- Don't give up on the person. A person with a mental health condition benefits from having a social support. A good life is possible. Source: NAMI

**BIG GAME BONANZA
SQUARE CONTEST RULES**

Objective:

Participants purchase squares on the official Big Game Bonanza grid. Winners are determined based on the last digit of each team's score at the end of each quarter during the Big Game Bonanza.

How to Enter:

To participate, enter to be assigned to one square from the available grid. No purchase necessary to participate. Each square corresponds to a specific location in the grid, which will be marked with a number for the Kansas City Chiefs and Philadelphia Eagles (0-9).

Example: If your square is in the row labeled "5" for the Kansas City and column "3" for the Philadelphia Eagles, your combination is Kansas City -5 and Philadelphia Eagles-3.

Drawing of Numbers:

The numbers 0-9 for each team (Kansas City and Philadelphia) will be randomly assigned to each row and column of the grid prior to the start of the game. This drawing will be done in a fair and transparent manner and can be broadcast to participants.

Scoring and Winning:

At the end of each quarter (1st, 2nd, 3rd, and 4th), check the last digit of each team's score.

Example: If at the end of the first quarter the score is Kansas City 14, Philadelphia 7,

the winner for that quarter would be the square corresponding to Kansas City -4 and Philadelphia -7 (the last digit of each team's score).

Winners:

A winner will be selected at the end of each quarter based on the score's last digits.

- 1st Quarter Winner**
- Halftime Winner**
- 3rd Quarter Winner**
- Final Score Winner**

Payouts:

Payouts for each quarter will be as follows:

- 1st Quarter:** Gift Card
- Halftime:** Gift Card
- 3rd Quarter:** Gift Card
- Final Score:** Gift Cards

Prize Distribution: Prizes will be awarded within 30 days following the game.

Tie Breakers:

Eligibility:
