MARCH IS BRAIN INJURY AWARENESS MONTH

Since 1987, the Lighthouse Neurological Rehabilitation Center has been dedicated to helping survivors rebuild their lives with strength, dignity, and hope.

As a CARF-accredited facility, we are proud to meet the highest standards in rehabilitation care — because every recovery deserves excellence.

A brain injury can happen in an instant. Recovery takes patience, expertise, and compassionate support.

This month, we stand with survivors, families, and caregivers. We celebrate progress — big and small.

If you or a loved one is navigating life after a brain injury, you are not alone. Join us in raising awareness.
