TUSCOLA BEHAVIORAL HEALTH SYSTEMS

Will shares his personal journey with depression and anxiety during his time playing football at the University of Michigan. After initially trying to hide his struggles and “tough it out,” he made the courageous decision to seek help—one that ultimately changed the course of his life.

Despite these challenges, Will excelled at U-M. He graduated as a four-time letterman in football, earned four Academic All-Big Ten honors, and was twice named a Big Ten Distinguished Scholar. During his senior season, Will started every game as defensive tackle for the Wolverines, helping lead the team to an 11-2 record, a victory over Ohio State, and a Sugar Bowl Championship.

After graduating, he co-founded Athletes Connected, a program dedicated to supporting the mental health and wellness of student-athletes.
