Mental  Health

Mental health is essential to a person's life in the same way as physical health. Hesitation to talk about mental health adds to the notion that the topic is taboo. It is important to normalize conversations surrounding mental health so people can feel empowered to seek the help they need.

- Mental health problems don't only affect adults. Children, teenagers, and young adults can also have mental health problems.
- It can be hard to talk to your child, dependent, or person you are caring for about mental health. Get tips for starting the conversation at [www.tbhsonline.com/mental health resources](http://www.tbhsonline.com/mental-health-resources).
- Anyone can experience mental health problems. Friends and family members can make all the difference in a person's recovery process. Offer support and resources to your friends and loved ones.
- Take a Youth or Adult Mental Health First Aid class from TBHS to learn more.

FREEDOM. TO BE YOU.

If you think oxygen therapy means slowing down, it's time for a welcome breath of fresh air.

Introducing the Inogen One family of portable oxygen systems. With no need for bulky tanks, each concentrator is designed to keep you active via Inogen's Intelligent Delivery Technology.® Hours of quiet and consistent oxygen flow on a long-lasting battery charge enabling freedom of movement, whether at home or on the road. Every Inogen One meets FAA requirements for travel ensuring the freedom to be you.

- No heavy oxygen tanks
- Ultra quiet operation
- Lightweight and easy to use
- Safe for car and air travel
- Full range of options and accessories
- FAA approved and clinically validated

ENJOY YOUR SUMMER FULL OF CELEBRATIONS AND GATHERINGS!

Make sure you stay healthy before, during, and after by following these 5 steps to help protect yourself from mpox.

Step 1: Know your risk- Mpox spreads through close, personal contact, including skin-to-skin and sexual contact.

Step 2: Avoid close, skin-to-skin contact with people who have a rash that looks like mpox.

Step 3: Avoid contact with objects and materials that a person with mpox has used.

Step 4: Wash your hands often.

Step 5: Get vaccinated if you have higher risk factors.
