LET'S TALK MENTAL HEALTH

Talking to friends and family about mental health can be an opportunity to provide accurate information, support, and contact information to them.

How to Talk About Mental Health

- I've been worried about you. Can we talk about what you are experiencing? If not, who are you comfortable talking to?
- It seems like you are going through a difficult time. Maybe we should call TBHS together at 989.673.6191.
- I am someone who cares and wants to listen. What do you want me to know about how you are feeling?
- Who or what has helped you with similar issues in the past?
- I'm concerned about your safety. Have you thought about harming yourself or others? There is HOPE and help is available 24/7.
