## Why you need dental insurance in retirement.

### Medicare doesn't pay for dental care.<sup>1</sup>

As good as Medicare is, it was never meant to cover everything. If you want protection, you need to purchase individual insurance.

### Early detection can prevent small problems from becoming expensive ones.

The best way to avoid large dental bills is preventive care. Experts recommend checkups twice a year.

### Previous dental work can wear out.

Your odds of having a dental problem only go up as you age.<sup>2</sup>

### Treatment is expensive — especially the services people over 50 often need.

Unexpected bills, like \$190 for a filling, or \$1,213 for a crown<sup>3</sup> can be a real burden, especially if you're on a fixed income.

### When you're comparing plans ...

- ▶ Look for coverage that helps pay for major services.
- ▶ Look for coverage with no deductibles.
- ▶ Shop for coverage with no annual maximum on cash benefits.

**Simply put – without dental insurance, there may be an important gap in your healthcare coverage.**

**Kids 10 & Younger:** \$3

Lynn Miller, a 68 year-old man from Caro, Michigan, received his test results on August 28, 2024. Unfortunately, the news was not what anyone had hoped for. He was diagnosed with stage 4 cancer, consisting of three different types: bone, brain and lung cancer. For 40 years, Mr. Miller has been faithfully delivering The Tuscola County Advertiser & Shoppers Advantage to every corner of Tuscola County, regardless of the weather conditions. Your generous donations will go towards helping Lynn, a member of our community, with his medical expenses. We will use these donations to cover his medical bills, transportation costs, and necessary items such as medication and medical equipment. Your support means a lot to Lynn and his family. Thank you for your generosity.

With the support of our wonderful community, we are hosting a pop bottle drive for Lynn. The event will take place on Saturdays, starting on September 28th, from 8:00 AM to 8:00 PM and will continue on October 5th and October 12th at Caro Rental, specifically at storage unit 183.

Please feel free to contact us by email: [lynnsbenefit2@gmail.com](mailto:lynnsbenefit2@gmail.com) if you have any questions or concerns. We are happy to assist you in any way we can.

**LET'S TALK MENTAL HEALTH**

*Talking to friends and family about mental health can be an opportunity to provide accurate information, support, and contact information to them.*

**How to Talk About Mental Health**

- I've been worried about you. Can we talk about what you are experiencing? If not, who are you comfortable talking to?
- It seems like you are going through a difficult time. Maybe we should call TBHS together at 989.673.6191.
- I am someone who cares and wants to listen. What do you want me to know about how you are feeling?
- Who or what has helped you with similar issues in the past?
- I'm concerned about your safety. Have you thought about harming yourself or others? There is HOPE and help is available 24/7.

# MARIJUANA

# DO'S AND DON'TS

Do be aware, respectful, and responsible with marijuana use

Do educate yourself on products, potency, and side effects

Do properly dispose of your used products and materials

Do keep your products locked and out of sight/reach of kids/teens, and pets

Don't keep products in the open, don't use around kids, and don't allow teen use

Don't use what you don't know

Don't assume those around you are okay with marijuana use

Don't litter. Throw cartridges/wrappers in the trash
