Recovery.

YOU are NOT ALONE!

Millions of people are affected by mental illness each year. Across the country, many people just like you work, perform, create, compete, laugh, love and inspire every day.

Mental health treatment has made recovery a reality for people experiencing mental illness.

- In February 2021, 39.9% of adults in Michigan reported symptoms of anxiety or depression.
- 1 in 20 U.S. adults experience serious mental illness each year.
- 1 in 6 U.S. youth (6-17 years) experience a mental health disorder.
