My name is Carol Quinn and I am a life time resident of Tuscola county. I have been constantly selling and marking real estate property for 34 years. My philosophy is that real estate is much more than buying and selling homes, it's about people, relationships, trust, and service. If knowledge, honesty, and integrity are important to you... Im your agent! I've been married to Jeff for 51 years and we have 2 grown children and 6 grand kids. I have taught fitness classes for years including Zumba Kickboxing, line dancing and I am also an artist in my part time. I retired from the Tuscola Intermediate School District with 41 years at Highland Pines School. You can text or call me to discuss your real estate goals today and start Living The Dream! I have Results That Will Move You!

## JUNE is MEN'S HEALTH MONTH

Mental health is essential to a person's life in the same way as physical health. Hesitation to talk about mental health adds to the notion that the topic is taboo. It is

important to normalize conversations surrounding mental health so people can feel empowered to seek the help they need .

- Approximately 33.15 million men in the U.S., representing 19.7%, reported experiencing some form of mental illness in the past year. Stressors such as financial concerns, job-related pressures, and current events can negatively impact men's mental health. Source: NAMI
- Additionally, the risk of suicide is a significant concern for men, with up to 80% of all suicide deaths occurring among males. 6 million American men experience clinical depression annually, and many remain undiagnosed. Source: NAMI
