Jenny Krug
989.553.5757

My name is Jenny Krug, I have been licensed as a real estate salesperson since 2018. I was born, raised and continue to reside in the thumb. My husband Luke and I have been married for 16 years and are raising our two great children, lots of honeybees and one happy dog. Aside from selling real estate, I enjoy helping in my community as a village counsel trustee and working as an Engineer at an automotive plant. I love to watch sports, hunt, golf, and travel. In my newest venture I get to work alongside my sister and the dream team to help our surrounding community in living their dream. With your home or property being likely your biggest asset, you should have an agent and brokerage that treats it as such while making the process comfortable, easy and stress free. If you are ready to make your dreams a reality, feel free to call me! (989) 553-5757

Hunting Land -20 acres+/-

This 20 acre property is a dream for hunters, with fields on two sides and a drainage ditch on the other two sides. Deer are attracted to the water source and abundant trees on the land. Additionally, if you are looking to build a country retreat with plenty of space to roam, this property offers the perfect setting. Situated just half a mile from a paved road, it provides both accessibility and seclusion. Don't miss out on this opportunity as hunting season approaches.

Mental health is essential to a person's life in the same way as physical health. Hesitation to talk about mental health adds to the notion that the topic is taboo. It is important to normalize conversations

surrounding mental health so people can feel empowered to seek the help they need. Show your support this month and beyond by having a greater understanding and compassion.

Mental health includes emotional, mental, and social well-being. It impacts how a person thinks and feels and affects how a person may act, manage stress, and make choices. When a person takes care of their mental health, they are better able to cope with everyday stress or challenges.

Normalize conversations and spread the awareness that good mental health is achievable thanks to many forms of support and resources available in our community and that mental health issues are treatable.

is to make Tuscola County a better place to live by maintaining a permanent philanthropic endowment base which will assist and fund a variety of efforts, turning needs and dreams into realities.

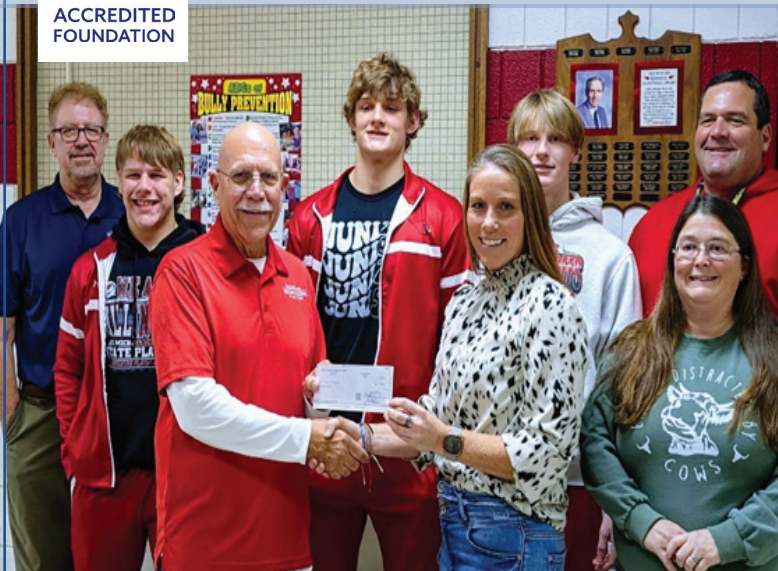

CFNS

ACCREDITED FOUNDATION

FINANCIAL HIGHLIGHTS FOR YEAR ENDING 2023

The Tuscola County Community Foundation (TCCF) experienced significant growth in total assets in 2023. This growth can be attributed to the foundation being the recipient of a Charitable Remainder Unitrust, the transfer of a private foundation, the development of five new funds, and continued individual donor support. The Foundation's strong financial position provided over \$566,500 in grant awards towards community projects and student scholarships!

TCCF is accredited by the Council of Foundations National Standards for U.S. Community Foundations Board through October 15, 2025. The national standards program requires community foundations to document policies and meet standards for donor services, investments, grantmaking and administration.
