Gloria Walker

Hi, my name is Gloria Walker, Gary Pringle and I have been together for 22 years, with 2 amazing daughters and 1 wonderful son, and 2 granddaughters who are the light of my life. I have done many jobs over the years but the best one was when I got the office assistant job at a real estate company. I soon got my real estate license so I could help the team better. I quickly learned that anything can happen at the drop of a hat and that this is an ever changing profession. Along with my license I have had since 2003 I am also a notary public / signing agent since 2008, if you have done a refinance or purchase you may have seen me at your house to help close. Although I enjoy the investigation of finding information along with the office and paperwork side, to me there is nothing like teamwork and assisting the other agents and anything they would need to help make your experience as easy and effortless as possible. You will find me here at the office throughout the week so please stop in and say HEY!

YOUR BUSINESS WITH A COMPANY THAT IS

Rooted

IN OUR COMMUNITY

Mental health is essential to a person's life in the same way as physical health. Hesitation to talk about mental health adds to the notion that the topic is taboo. It is important to normalize conversations

surrounding mental health so people can feel empowered to seek the help they need. Show your support this month and beyond by having a greater understanding and compassion.

Mental health includes emotional, mental, and social well-being. It impacts how a person thinks and feels and affects how a person may act, manage stress, and make choices. When a person takes care of their mental health, they are better able to cope with everyday stress or challenges.

Normalize conversations and spread the awareness that good mental health is achievable thanks to many forms of support and resources available in our community and that mental health issues are treatable.
