Living The Dream | 5951 State St. Kingston  
 989.683.1024 | Ltdrealty@yahoo.com

Our building has such a cool story, it was built around 1894 and was originally the Kingston State Bank. It served as a bank for 73 years and over the years it has housed not only the bank, but a bicycle shop, community library, law office, accounting office, insurance company, and now the Living the Dream Real Estate Team! The building still has the original safe that was put in around 1898 in hopes to discourage bank robbers, but the bank was robbed in 1931 leaving bullet holes in the front you can still see. Pontiac did a Bonnie and Clyde style automobile advertisement and I'm sure it helped them sell lots of cars! Next time you're coming through Kingston stop in and say Hi and check out the office! We have experienced agents ready to work and if you're not ready to buy or sell, please keep us in mind and refer a friend!

**HUNTING LAND 20 acres+/-**

This 20 acre property is a dream for hunters, with fields on two sides and a drainage ditch on the other two sides. Deer are attracted to the water source and abundant trees on the land. Additionally, if you are looking to build a country retreat with plenty of space to roam, this property offers the perfect setting. Situated just half a mile from a paved road, it provides both accessibility and seclusion. Don't miss out on this opportunity as hunting season approaches.
