LET'S TALK MENTAL HEALTH

Talking to friends and family about mental health can be an opportunity to provide accurate information, support, and contact information to them.

How to Talk About Mental Health

- I've been worried about you. Can we talk about what you are experiencing? If not, who are you comfortable talking to?
- It seems like you are going through a difficult time. Maybe we should call TBHS together at 989.673.6191.
- I am someone who cares and wants to listen. What do you want me to know about how you are feeling?
- Who or what has helped you with similar issues in the past?
- I'm concerned about your safety. Have you thought about harming yourself or others? There is HOPE and help is available 24/7.

Lynn Miller, a 68 year-old man from Caro, Michigan, received his test results on August 28, 2024. Unfortunately, the news was not what anyone had hoped for. He was diagnosed with stage 4 cancer, consisting of three different types: bone, brain and lung cancer. For 40 years, Mr. Miller has been faithfully delivering The Tuscola County Advertiser & Shoppers Advantage to every corner of Tuscola County, regardless of the weather conditions. Your generous donations will go towards helping Lynn, a member of our community, with his medical expenses. We will use these donations to cover his medical bills, transportation costs, and necessary items such as medication and medical equipment. Your support means a lot to Lynn and his family. Thank you for your generosity.

With the support of our wonderful community, we are hosting a pop bottle drive for Lynn. The event will take place on Saturdays, starting on September 28th, from 8:00 AM to 8:00 PM and will continue on October 5th and October 12th at Caro Rental, specifically at storage unit 183.

Please feel free to contact us by email: lynnsbenefit2@gmail.com if you have any questions or concerns. We are happy to assist you in any way we can.
